

Town of Deer Creek News

September 2019 edition

Annual Tire Collection

Our annual tire collection will be held on September 14th from 8:00am to 4:pm at the Town Hall. Each household can bring 4 tires that are 20” or less (tires can be on the rim). See you on the 14th!

New Internet Service in Town of Deer Creek

High speed internet was a topic at our last annual meeting. We are happy to announce that Waupaca on-line is available or could be available where you live. We have Waupaca on-line at the town hall and have been very happy with the speed and a few residents around the town hall also have Waupaca on-line and the speed is great compared to internet through the phone company.

See the brochure for Waupaca On-line included with the newsletter. Call 715-942-9919 today to get more information or to schedule your install!!

ATV/UTV Ordinance

Another topic from our last annual meeting was the township developing an ordinance around usage of ATV and UTVs on town roads. Finally, we can say, the town of Deer Creek has passed ordinance 19-01 to allow ATV/UTVs on all town roads starting on September 9th 2019 or when signs are posted. Outagamie County has been getting a lot of questions to open county roads for ATV/UTV use. They have commented they will have something together by the end of the year. Please remember, as this ordinance becomes effective, only town roads can be used and as soon as usage is allowed on county roads, we will post something on our website. Our ordinance has been approved by Wisconsin DNR, Outagamie County Sheriff’s Department, and the Wisconsin State Patrol.

No Phone Service at the Town Hall

We have suspended phone service at the town hall when we went with wireless internet through Waupaca On-Line. Please see the Important numbers section to get phone numbers and email addresses for your board contacts.

2019 Tax Collection and 2020 Dog Licensing

Tax bills will be mailed in early December. Watch for announcements on office hours for collection and fees for dog licenses printed on the tax bill. Announcements will also be found on the town website.

Town Hall Rental

Residents of the Town of Deer Creek can rent the town hall for gatherings. There are many dates available to rent the town hall. When the hall is rented, the date will be marked reserved on the calendar on the town website. Rental fee is \$75.00. Contact Marcia Pethke at 920-450-3479 to book your party.

Election Workers 2020

Looking for interested residents 18 years or older who would like to be election workers. An election worker does get paid for the time they work and for any training they have to attend. If you are interested and would like more information, please contact Craig Sorenson.

2020 Census is Coming

Please stand up and be counted. Census counts will provide us with state and federal aid which can be used for roads and other projects in our area. Every dollar helps!

We may need help in our township with census activities. Please contact Craig Sorenson for details of the upcoming census and if you are interested in helping.

Community Housing Grants

If you are interested or would like more information this program is now being managed out the regional office in Green Bay. If you are interested in this program during the transition to the regional office, please contact Marcia Pethke for more information.

How the 2020 Census will invite everyone to respond

What to Expect in the Mail

When it's time to respond, most households will receive an invitation in the mail. Every household will have the option of responding online, by mail, or by phone.

Depending on how likely your area is to respond online, you'll receive either an invitation encouraging you to respond online or an invitation along with a paper questionnaire.

Letter Invitation

- Most areas of the country are likely to respond online, so most households will receive a letter asking you to go online to complete the census questionnaire.
- We plan on working with the U.S. Postal Service to stagger the delivery of these invitations over several days. This way we can spread out the number of users responding online, and we'll be able to serve you better if you need help over the phone.

Letter Invitation and Paper Questionnaire

- Areas that are less likely to respond online will receive a paper questionnaire along with their invitation. The invitation will also include information about how to respond online or by phone.

WHAT WE WILL SEND IN THE MAIL	
On or between	You'll receive:
March 12-20	An invitation to respond online to the 2020 Census. (Some households will also receive paper questionnaires.)
March 16-24	A reminder letter.
	If you haven't responded yet:
March 26-April 3	A reminder postcard.
April 8-16	A reminder letter and paper questionnaire.
April 20-27	A final reminder postcard before we follow up in person.

We understand you might miss our initial letter in the mail.

- Every household that hasn't already responded will receive reminders and will eventually receive a paper questionnaire.
- It doesn't matter which initial invitation you get or how you get it—we will follow up in person with all households that don't respond.

WHAT OUR CUSTOMERS SAY

I have been VERY pleased with Waupaca-Online. I originally signed up when I lived in the country and could get no other internet connection, but it was the right thing to do in so many ways. Their service is right on! Thanks for all your help guys.

~Mary

Your upgrades have really changed your service to be something that is very good.

How the 2020 Census will invite everyone to respond

Every household will have the option of responding online, by mail, or by phone.

Nearly every household will receive an invitation to participate in the 2020 Census from either a postal worker or a census worker.

 **95%** of households will receive their census invitation in the mail.

 **Almost 5%** of households will receive their census invitation when a census taker drops it off. In these areas, the majority of households may not receive mail at their home's physical location (like households that use PO boxes or areas recently affected by natural disasters).

 **Less than 1%** of households will be counted in person by a census taker, instead of being invited to respond on their own. We do this in very remote areas like parts of northern Maine, remote Alaska, and in select American Indian areas that ask to be counted in person.

Note: We have special procedures to count people who don't live in households, such as students living in university housing or people experiencing homelessness.
