Annual Tire Collection Set

Our annual tire collection will be held on September 12th 2020 from 8:00am to 4:pm at the Town Hall. Each household can bring 4 tires that are 20" or less (tires can be on the rim). See you on the 12th!

New Internet Service in Town of Deer Creek

High speed internet has been working well. Call Waupaca On-line at 715-942-9919 today to get more information or to schedule your install!!

ATV/UTV Ordinance

The new ordinance was passed which allows for the use of ATV/UTVs on township of Deer Creek roads only at this time. We are working with the county on their plan to allow county roads be included in some of our area.

2020 Census is Now, please complete your survey!!

Please stand up and be counted. Census counts will provide us with state and federal aid which can be used for roads and other projects in our area. Every dollar helps!

Keep Electronics and Tires out of road ditches

Our ditches are not dumping grounds for old, unwanted electronics and tires. Please follow guidelines for proper disposal of your old electronics which can be found on the county's website. Also look for community electronic recycling events that are happening in the area and take your old electronics there. You may still have to pay a small fee for televisions and computer monitors but the electronics will be properly taken care of. For a full list of electronic collectors visit the Wisconsin DNR website at: www.dnr.wi.gov/topic/ecycle

Save your tires for the tire collection in September. Tires bigger than 20" can be taken directly to the County Landfill anytime the landfill is open or the CAWS site in Clintonville during normal business hours. There will be fee at both places to drop them off.

When is a building permit needed in the Town of Deer Creek?

Whenever you are thinking of building a home, remodeling your home including adding an addition to your home, building a shed or any other type of structure attached or detached from your home, contact the town building inspector to see if a building permit will be required. Do not start your project without contacting the building inspector first.

Mike Miller is our building inspector. He would be happy to review any plans or discuss your project to determine if a permit will be needed. Mike can be reached at 920-428-3331 or by email at Spike54170@gmail.com.
